National expertise, local knowledge

We have one of the most experienced teams of Chartered Surveyors and RICS Registered Valuers in Ireland with extensive expertise both locally and nationally.

Eamonn Maguire MSCSI MRICS
Eamonn is managing director of Maguire Chartered Surveyors with over 25 years experience in the Dublin property market, providing professional and commercial agency services. Whilst also catering for the needs of business space occupiers, Eamonn has developed a niche global corporate clientele.

PJ Power MSCSI MRICS MIPFMA ACI Arb
PJ Power, managing director of Power & Associates, is one of the most experienced and respected practitioners in the commercial property sector in the Munster region. He has particular expertise in professional services and property management. He also acts as an arbitrator or independent expert.

Rory Lavelle FSCSI FRICS ACI Arb
Rory is a director of Jordan Auctioneers with particular responsibility for commercial property and professional services. He is one of the most experienced valuers in the Leinster region, and an active arbitrator with more than 20 years experience in the property industry.

Robert Jeffery FSCSI FRICS
Robert is a director of Frank V Murphy & Co and heads the commercial division. He is one of the most knowledgeable surveyors in the Cork region with wide experience in commercial agency, professional services, the licensed sector and business transfer. He is also an experienced arbitrator.

Andrew Carberry MSCSI MRICS
Andrew is the principal of Carberry Chartered Surveyors and specialises in the retail sector, undertaking agency and professional work. Andrew has been involved with many of the largest retail developments in the country.

Gerard O'Toole MSCSI MRICS ACI Arb
Gerard is a director with Tuohy O'Toole and has been in the construction and property sectors for close to 20 years. His experience covers commercial agency, valuations and project management. He has worked in Ireland, the UK and the U.S.

Peter Murtagh MSCSI MRICS FIPAV
Peter is a vastly experienced surveyor having been in practice for some 34 years. A past president of the IPAV, his experience and expertise covers a range of property types but with an intimate knowledge of rural property and agricultural lands.

Kate Curran MSCSI MRICS MCI Arb Dip Arb
Kate Curran is a director with Moynihan Curran Chartered Surveyors. She has over 15 years experience in the Irish property market and her expertise covers agency and professional services. She is regularly appointed to act as an arbitrator or independent expert.
